Professional Practitioner Diploma in Executive Coaching

Master Practitioner Diploma in Embodied Dialogue Coaching

Summary

This transformative six-month ICF Level 2 accredited programme allows certified coaches to enhance their practice through engaging with diverse global perspectives and building their unique signature presence.

This is a dynamic and intensive 12-month ICF Level 2 accredited programme, designed for experienced coaches seeking to deepen their professional practice through the Embodied Dialogue approach.

Format

This virtual programme comprises five days of workshops and group mentor coaching culminating in a live assessment day. Learning is supported through peer coaching practice, 1:1 mentor coaching and supervision, pre-recorded webinars, self-study, and client practice.

This hybrid programme blends virtual and in-person modules, comprising masterclasses, workshops, group and 1:1 mentor coaching, group supervision and assessment. Learning is enriched through client and peer practice, personal reflection, and a four-day residential.

Accreditation

An ICF Level 2 programme accredited for 135 total hours of coach-specific education. This incorporates 60 hours from the **AoEC Practitioner Diploma in Executive Coaching** or other recognised prior learning (ICF Level 1, ACSTH, or ACC).

Level 2 Pathway: a stand-alone ICF Level 2 programme accredited for 139 total hours of coach-specific education.
MCC Mentor Coaching Pathway: 143 hours of coach-specific education with 77 hours designed to meet ICF Level 3 requirements. *Accreditation pending.*

Faculty

Global PCC and MCC faculty bring a breadth of experience and expertise in subjects across five key themes to deepen the exploration of, 'Who am I?', and 'How do I coach?'.

John Leary-Joyce (PCC), an expert Gestalt practitioner, serves as core faculty lead and Mentor Coach for the Level2 Pathway. Highly experienced coach Duncan Coppock (MCC) is the Mentor Coach for the MCC Mentor Coaching Pathway.

Suitable for

This programme is for certified coaches, acknowledging and expanding on previous learning and coach training. Eligible applicants will have completed the **AoEC Practitioner Diploma in Executive Coaching** (or equivalent).

Participants must be experienced coaches who have completed the **AoEC Advanced Coaching Skills Gestalt Embodiment - Foundation Programme** (or equivalent) with at least 500 client practice hours, or PCC coaches with 1000 hours for the MCC Mentor Coaching Pathway.
